

Hello, little explorer!

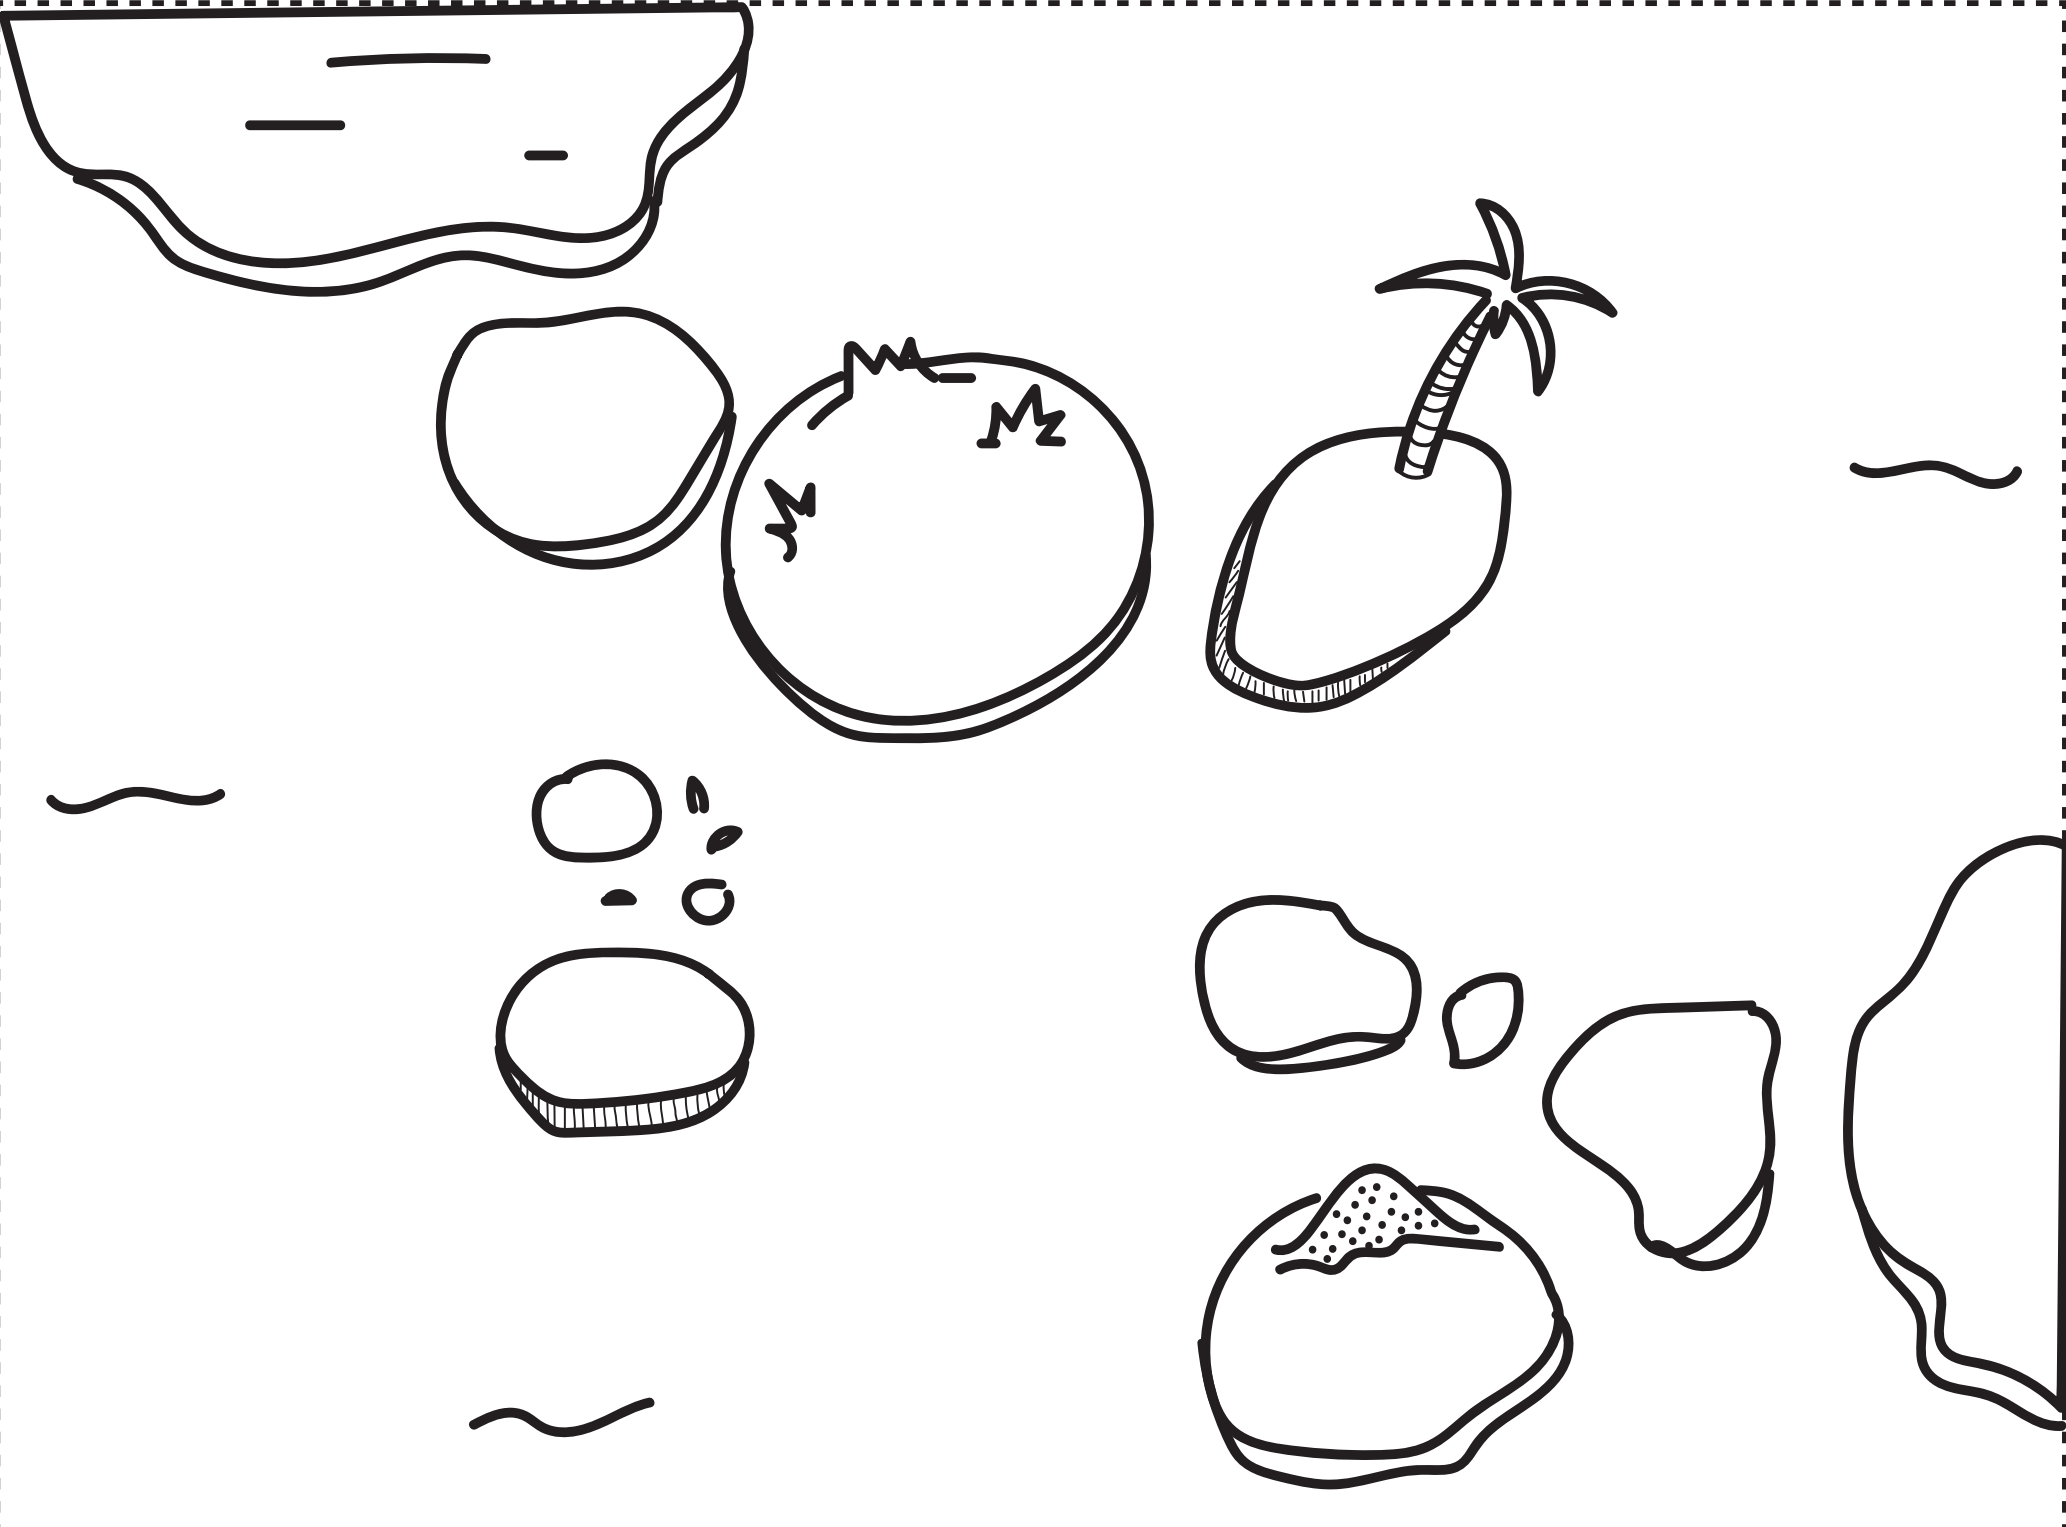

Here is your own little kit that you can use as you sail into the ocean of stories.

A. Sailor's Map

1. Print out the map.
2. Every time you finish a story, colour an island and write the name of the story in it! Fill up your map with your own storyboat journey and stick it in your room or cupboard.
3. Every time you fill up the whole map with the stories you've read, you can print out a new blank map and start filling that in.

B. Sailor's Ticket Bookmark

1. Use this as a bookmark for the physical books you're reading.
2. Print out the sheet.
3. Fill in the ticket.
4. Cut it out and use it!
